1 Melva Baker checks tapes back into the Computing and Network Operations Tape Operations Library in Bellevue, Wash.

2 Pamela Harris of St. Louis Library Services restocks the shelves.

3 Video editor David Mohlman edits video in Tukwila, Wash., for an Employees Community Fund presentation.

4 Boeing Security employee Fred Stump works on a lock at the Key Shop in Wichita, Kan. The organization supports the site with a variety of services, including opening doors for employees who have locked their keys inside their vehicles.

5 To fulfill a customer request, Vernon Reed, of the Engineering Information Management Help Desk in Cypress, Calif., selects a tube containing an old McDonnell Douglas commercial airplane master layout drawing.
