BOEING

20 years of the best for the RAAF.

The Hornet Industry Team is proud to celebrate 20 years of partnership and service with the Royal Australian Air Force. It's our privilege and honour to fly with the best.

IT TAKES A
HORNET.
F/A-18

This ad for Boeing Integrated Defense Systems celebrates a successful partnership between Boeing and the Royal Australian Air Force (RAAF). The RAAF has been flying F/A-18 Hornets for 20 years and has continued its relationship with Boeing through an ongoing Hornet upgrade program. The ad was featured at the Australian Air Show in March and will appear in various Australian defense publications.
